

The Oceanic Hotel Khor Fakkan

...welcome to a new life

Ambience...

The Oceanic Hotel is a 4 star holiday beach resort tucked away in the coastal town of Khorfakkan. A scenic one and half hour's drive from the bustling cities of Dubai and Sharjah, Khorfakkan is a surprising blend of mountainous country and sandy beaches. Most famous for its extensive range of water sports, the Oceanic Hotel also has a variety of other facilities for everyone.

Accommodation...

At the Oceanic, everything is designed to make a stay a comfortable and memorable one. Almost every guest room and suite offers a panoramic view of the Indian Ocean. All rooms are centrally air-conditioned, with a private bathroom, a color TV, cable channels, a radio and 4 channel piped music, an international direct dial telephone, a mini refrigerator, and of course, 24 hour room service.

Health...

Ayurveda is a complete way of life. It is not only about treating sickness - it is based on preventing disease and enhancing health, longevity and vitality. Ayurveda believes that it takes a long time for our body to get sick because of our misguided life styles (i.e., diet and habits) and it may take some time to heal (there is not a "quick fix"). The goal of Ayurveda is to achieve harmony and balance. This is attained without drugs or invasive treatments. Diet, herbal remedies, gentle exercise (i.e., Yoga) and physical therapies (such as massage) are the main methods used.
